# **Folkestone settles Access Constructions Acquisition**

---

Folkestone Limited last night concluded the acquisition of Access Constructions Pty Ltd, a “design and construct” contractor specialising in industrial and low rise commercial buildings within Victoria.

Mr Peter Herschell established Access Constructions some 14 years ago and in that time has carved a niche market in the delivery of industrial complexes using the design and construct (“D&C”) delivery system.

In acquiring Access Constructions, Folkestone has retained all the employees including Mr Peter Herschell, all of whom are integral to the ongoing success of the business.
